

From the Director

Teri Shine, Executive Director, WSAA

Spring has finally arrived to Wickliffe and with it brings a new group of Wickliffe graduates to join the WSAA. Congratulations to them and their families; and for those graduates, welcome to a new family.

Check out the new WSAA website. It is spectacular! Roger Mikulandra has constructed this amazing new website to enhance our ability to keep in touch with fellow alumni and keep current with WSAA activities. Please update your profile and be entered to win an iPad. Look around the website for more information on how you can win!

There is also a change in the face of the WSAA leadership. Frank tossed the baton in my direction; and as a former majorette, I am so pleased to be here. My name is Teri (Theresa DiMattia) Shine, class of 1972, and I have assumed the role of Executive Director. I remain a Wickliffe resident, along with my husband, Dave. Both my daughters graduated from Wickliffe as well as many of my brothers' children and grandchildren. Wickliffe is still one big happy family and a great place to raise a family.

They used to hang together, sometimes only two or three at a time but I could never break in. They did the usual, ride around, josh each other, play basketball, share music, back each other up - all the things **teenage guys liked to do. I wasn't all that much on the basketball court and I didn't have a car, so...**

As time went by, two got married, then another two, then the last two. They still kept together as much as they could. Three went into the service, two Air Force, one Army. One went to Viet Nam but came back OK. All but one stayed in Ohio, most in the Wickliffe area, until 1980 when a second moved to the St. Louis area. The first one had moved a couple of times and ended up in the Atlanta area in 1980. We still got together whenever the guys came back for holidays or summer visits. I later moved to the Columbus area so I had to come back too.

As the years went by the Big Six still were the group **but the 'coolness' cooled and they just became good guys.** Another one moved to Virginia.

Then they started retiring from their careers, all about the same time just as the century changed to Twenty-One. Only one still works and he may do so for awhile. Just like me. They all had kids who turned out great - two had one son, one had two daughters, one had two daughters and a son, one had two sons and two daughters, one had a daughter and two sons. Just a nice mix. I had no children, even with three wives. I did attend some of the **children's' weddings along with any of the Big Six whenever possible.** There are still some more weddings to come too.

One time there was an 80th Birthday Party for one of the moms and we all got together, minus one, for the first time in about twenty years. It started a **closer reconnection that we've since maintained.**

The last couple of years we started going to class reunions and got together with others from our high-school days. It seemed like we enjoyed being with each other and there was a comfort you could feel.

That's when I realized two things.

They were still cool.

And, I was always one of the Big Six.

The Big Six

Author: Anonymous

All right, they weren't The Coolest, but they were cool. And, I wasn't one of them. In high-school, they kept saying I was #7 but it was the Big Six, so I guess I was going to have to wait even though I was number one on the wait list.

I remember one time they all went to Wickliffe Men's & Boy's Wear and got these metallic colored shirts; three button, short sleeves and tight fitting. There were four colors so a couple had the same color - blue, red, yellow and green. They were cool shirts.

DEVIL DOINGS

From the Director (Continued from page 1)

I am very honored to be involved so closely with this community. You will also find me active with my nursing group, the American Society of Perianesthesia Nurses.

Thank you to my Executive Director predecessors, Sue Skufca Bell and Frank Foti, and to the current and past Board members who have shaped this group. I will continue to collect memorabilia for Memory Lane and take photos at our events and am very excited about my new responsibility.

Impacting the lives of students and alumni is part of the mission of the WSAA. The Board is continually looking for new ideas and people to help us achieve this mission. Board meeting and event dates will be posted at the website. Anyone is invited to attend a Board meeting. If you have any questions or suggestions, please contact me or any board member.

The most recent WSAA event was the 2011 WHS Senior Awards Night. The WSAA was able to award six \$500 dollar scholarships. We also held a reception in the cafeteria for all students and parents after the event. Scholarship Chairman, Jim Campbell, has full details in this newsletter.

The Ice Cream Social will again be held at Penitentiary Glen Park in Kirtland on Sunday, July 24th. We do this in conjunction with the Lake Shore Live Steamers 1/8th Scale Railroad. There will be plenty of ice cream and free train rides that afternoon. We are looking for volunteers to help with the ice cream.

Save the date of Thursday, September 8, 2011 for the Athletic Hall of Fame Dinner. It will be once again held Pine Ridge Country Club to induct five new members. Nominations are closed for this event. Recognition of the new inductees will continue the next day at the Wickliffe High School football game. Check the website for de-

tails on how to buy tickets for this special night.

Watch the website for upcoming events: Class reunions, Golf Outing at Pine Ridge Country Club on Friday, August 12, All-Alumni Party on Friday, September 23rd, and Chinese Auction in early 2012.

See you soon!

2011 Athletic Hall of Fame Inductees

The Wickliffe Schools Alumni Association is proud to introduce the Athletic Hall of Fame Class of 2011 Inductees. These exceptional athletes will be inducted into the Hall of Fame on Thursday, September 8th at a dinner held at the Pine Ridge Country Club and honored at the Blue Devil home game on Friday, September 9th.

They will be joining the 40 honorees previously inducted into the Athletic and Achievement Halls of Fame.

Tickets to the event are \$35.00 per person and an open invitation is extended to the public. Tickets can be ordered by sending in the order form on page 7 or ordering online at WickliffeAlumni.org.

Cocktails begin at 6:00 pm with a cash bar. Dinner starts at 7:00 pm with the induction ceremony beginning around 8:00 pm.

The Athletic Hall of Fame honors athletes for their accomplishments and contributions to their chosen sports in general and to the Wickliffe High School sports program in particular. **This year's class is no exception.**

It is with great pleasure that we announce the 2011 Inductees to the WSAA Athletic Hall of Fame.

Jack Biondolillo - Class of 1962

Jack, an all around athlete, joins four of his former teammates from the great 1960 Blue Devil football team to the hall of fame. As an all-star Blue Devil linebacker, Jack set many single-game and season records including:

- Most Recovered Fumbles in one game: 5
- Most Fumbles Caused in one game: 4
- Most Tackles in one game: 37
- Most Tackles in a season: 154 (27 solo)

Jack was inducted into the United States Flag and Touch Football Hall of Fame in 2006.

Tom Rosneck - Class of 1966 - Coach

As Head Football Coach for the Blue Devils, his record of 71 wins, 39 losses and 2 ties outstrips any head coach in the history Wickliffe High School. As Head Basketball Coach, Tom posted the highest winning percentage in school history with his 155 win and 86 loss record. **During his last five seasons, the men's basketball team averaged 18 wins per season.**

Tom was named "Coach of the Year" twice by the Plain Dealer and honored by the Ohio High School Athletic Association as the recipient of the Sportsmanship, Ethics and Integrity Award.

Phil Drenik - Class of 1974

Phil joins the exceptional Wickliffe wrestling tradition represented in the Hall of Fame by his brother, previous inductee Greg Drenik.

In high school, Phil was a two-time Sectional Wrestling Champion, District Runner-up, took a 5th place at the State Wrestling Championships and was the State Champion in Freestyle.

After graduation, Phil continued his success. He was Junior State and National Freestyle Champion and Senior National Freestyle Silver Medalist in 1976 which qualified him for the Olympic Trials while a student and wrestler at Cleveland State University.

Phil continues his athletic prowess in competitive power lifting and presently holds eight State records and an additional eight American records.

Patrick McDowell - Class of 1978

A high school Football and Track star, Patrick was the recipient of numerous local, regional and state awards.

In football he was awarded the News Herald All-Star 1st Team, Regional Press All-Lake County 1st Team and Painesville Telegraph All-Lake county 1st Team. In the 1977/78 season he lead the state in the Yards per Catch category.

On the track, Patrick broke the school record for the 880 yard Run twice and is still the current record holder in the event. He also qualified for State Finals with a Top 10 finish in the same event.

After high school, Patrick attended Baldwin Wallace College where he was a NCAA Division III All-American Track and Field athlete in the 4x400 Meter Relay.

Vicky DeLisa - Class of 1986

Vicky made her mark at Wickliffe in Track and Field and achieved many awards and records during her high school career. Vicky qualified for State in her freshmen year in the 4x400 meter relay and placed 16th. In 1986, Vicky again qualified for state in the 100 and 300 meter hurdles. She was ranked 5th and 7th in the state in the 100 meter hurdles and the 300 meter hurdles respectively.

After graduating high school, Vicky attended Eastern Michigan University on a full athletic scholarship where she was **Team Captain of Women's Track and Field and a nationally ranked NCAA Division I athlete.**

Vicky's tenacity as a competitor was evident during an event at Districts where she fell in the 300 meter hurdles but still managed to place 1st in the heat.

Please join the WSAA in congratulating these great athletes and please come out and support your fellow alumni by attending the induction dinner on Thursday, September 8, 2011 or the Wickliffe home game on Friday, September 9, 2011.

On Monday, May 23 2011, the Annual Student Awards Night was held at Wickliffe High School. Eligible candidates for the scholarships can attend a vocation or technical school or a two-year or four-year college program.

Over the past seven years the WSAA has granted close to \$20,000 in scholarships to graduating seniors as well as hosted the reception following the awards ceremonies for the graduates, their families, faculty and administration.

It gives me great pleasure to announce the 2011 WSAA Scholarship recipients:

- Jake Foster
- Steven LaCorte
- Chelsea Lanese
- Samantha Hopton
- Kristen Pasquino
- William Shumar

I would like to thank the selection committee for an outstanding job, Mark Cline and my co-chair Terri Shine.

2010 All-Alumni Party Recap

The 2010 All-Alumni party at the High School sponsored by the WSAA was another great success. Alumni were treated to refreshments, complimentary football tickets by the Athletic Department, tours of the school, a visit to Memory Lane and the grand opening of the new display case for the Achievement and Athletic Halls of Fame Inductees.

Out on the field, the Blue Devils won their Homecoming game and the Band celebrated the 40th anniversary performance of Aquarius, which included alumni band members on the field.

The party continued at Petti's Pizza after the game. Eating a Petti's pizza with friends after a Wickliffe game continues to be a great tradition. Every year we have a bigger turnout and we filled the place this year. Many thanks to Joe Siciliano and his daughter Michelle, for allowing us to take over their space; and also to their staff for working so hard to keep pizzas and beverages coming.

Make plans to join us this year when we host the next All-Alumni party during and after the Homecoming game on Friday September 23, 2011.
